

Hawaiian

Theme night

On arrival our beautiful Hawaiian hostesses offer sunglasses and leis to guests as gifts from the Pacific Island. Background music complimentary to the theme fills the air and the room is tastefully dressed with Hawaiian decorations such as huge 4ft inflatable beach balls and 6ft palm trees.

The Dancers and theme DJ start the show with a limbo competition on the dance floor. The guests are invited to participate and a live beach bongo player joins in the fun and the party really gets started.

As the night continues the DJ and Dancers interact with the guests through competitions and giveaways. All guests are encouraged to take part in our Karaoke competition, which has plenty of songs relevant to the theme.

Giveaways include:

100 leis

60 sunglasses

15 large straw hats

Total Cost is €2600 plus vat @ 21%
